

# SHE values

---

Brightlands Chemelot Campus is a very **diverse** community which shares **integrity** and **respect** for each other as core value. As a community, we **look after each other** to ensure everybody acts safely and returns home safely from the Brightlands Chemelot Campus every day.

## This means that we:

- ✓ Comply with relevant laws and BCC regulations.
- ✓ Make SHE an integral part of the planning and execution of all activities.
- ✓ Stimulate continuous SHE-improvement.
- ✓ Give feedback on unsafe behavior, with respect for the other.
- ✓ Learn by reporting unsafe situations and SHE incidents to the Campus organization.
- ✓ Act safely and responsibly.
