Dear friends and supporters,

We wish to thank you most sincerely for your kind and generous donation of 500,00 Euro, which we have received for supporting our work.

We are very touched by your decision and we feel very happy because you have opened your heart and you have honored us with your friendship.

Your donation nowadays has a bigger moral impact because it happens under the severe financial crisis that we are facing as a country and as an Association.

With this donation, you are contributing to the running costs of SOS Children's Village Vari and the Youth House in Paleo Faliro for the children and youth living there.

Your love, care and support, are truly giving us the strength and moral power, which are necessary to continue our work of caring for the homeless children and provide them with a family situation.

With the wishes of the Board of Directors and the love of our children, we thank you once more.

Yours sincerely

Epameinondas Lorandos
Director of SOS Children's Village Vari &
Of Youth Facility of Athens
